VEDIC AROMA perfumes are certified by NATRUE, a standard that promotes authentic natural and organic cosmetics.

The NATRUE label sets a high standard of quality and integrity so people worldwide may enjoy natural cosmetics truly worthy of that name. It is now being widely recognized throughout Europe, USA, and many other countries.

Companies using NATRUE certification strongly believe in the power of nature. It is scientifically proven that essences of nature in our ingredients stimulate and encourages our skin to regain vitality and inner balance. An authentic beauty should be in line with well-being and care for everything around us—plants, insects, and environment. Companies with NATRUE certification use, wherever possible, natural ingredients of organic origin, without synthetic pesticides and fertilizers.

Most cosmetic products on the market are full of synthetic ingredients. Many products claim to be natural but are far from it. There are a number of definitions and corresponding labels for natural cosmetics on both the national and international level. Currently, Natural Cosmetics are not legally defined anywhere in the world. The NATRUE label aims to provide an internationally recognized standard that can be trusted by customers everywhere.

We are proud to use the NATRUE label to indicate our achievement of the highest quality, pure, natural, organic cosmetic and personal care products for the well-being and happiness of our customers.
